Comments from the Sale Manager

On behalf of the consignors and sale staff for the **26th Annual Southern Showcase Sale**, it is my pleasure to welcome you to **Armuchee, Georgia** on **November 4-5, 2022**. Each consignment in this joint production sale represents some of the top genetics available from these programs. Offerings will be made with almost every segment of the Simmental industry in mind. Select, high performance Simbrah, Angus and SimAngus™ genetics are also included in the sale again this year.

Are you searching for a prospective donor female that can produce great genetics and large dollars for your farm? ***We have got her in this offering***. Need a bred or a cow calf pair that can be purchased for a reasonable price and then go right into the heart of your herd? ***Look no further because they will be here***. Or maybe you have figured out that the best way for you to sample someone else's best genetics is through frozen embryos or pregnant recipients. ***We have just the ticket for you***. The same stout, trouble free, fully guaranteed bulls you have become accustomed to from these programs will be again offered through this sale. ***The bull is half the genetics of every calf!*** Throughout the sale there are truly unlimited opportunities for you as breeders to add to the top end of your herd good, solid, predictable, money making genetics.

For the last 26 consecutive years, the Southern Showcase Sale has provided breeders across the United States the opportunity to sample the best, most money making genetics its consignors have to offer. As the longest running sale of its kind across America, the Southern Showcase Sale and its consignors have sold success through these genetics to our customers. We have seen many other sales and breeders come and go over the years and have out lasted them all by providing a consistent, high quality investment at a reasonable price. Take advantage of the commitment of the breeders involved in this sale to add power and profitability to your program! History has proven that these reputation cattle are the money making kind – ***26 years and counting, these cattle are doing something right!***

Again this year, the Southern Showcase Sale will be held at the Select Cattle Enterprises Sale Facility near Rome, Georgia. This facility will allow consignors to display their offering in large, grassy runs for a greater ease of viewing prior to the sale. For precise directions please see the map and written directions on the inside back cover of this catalog.

If you have any questions about this offering, please don't hesitate to contact the sale manager, consignors or any member of the sale staff. If you need assistance evaluating the offering, selecting your purchases and/or representation on sale day, feel free to contact the sale manager, any of the sale consultants, or the auctioneer. As always, there will be no charge to you for this service and we will each do our best to insure your total satisfaction.

You are invited to view the cattle beginning Friday morning, November 4, 2022 at the sale site. The consignors and sale staff will be on hand and would very much like to visit with you about the offering. Then join us Saturday morning, November 5, 2022 at 8:00 a.m. for further viewing of the cattle. This will be followed by the **26th Annual Southern Showcase Sale** at 1:00 p.m.

Don't take my word about the quality you will find at this event. Come and see for yourself! You will not be disappointed. I look forward to seeing you.

Sincerely,

R. Bruce Van Meter

General Information

Feed Ration: Bulls were feed a specially formulated feed ration designed to produce a gain of approximately 3to 3.5 pounds per bull per day.

Health: All bulls and females have been vaccinated and boostered as well as dewormed.

Internet: The 26th Annual Southern Showcase Sale catalog and videos may be viewed online at www.impactcattle.com. Online bidding will be available through Liveauctions.tv. Login instructions for Liveauctions.tv can be found on page 20 of this catalog.

Health: A veterinarian will be available sale day to write interstate health papers at no cost to the buyer. An update sale sheet will also be available sale day listing information not available at catalog press time.

Soundness: Every bull is guaranteed sound on the day of the sale to the best of our knowledge. All bulls will have passed a breeding soundness exam within 30 days of the sale performed by a licensed veterinarian.

Breeding Season Guarantee: Every bull has a 100% guarantee for one breeding season, provided that the bull is maintained in proper nutritional and physical health, not to exceed 6 months from sale date. Should a bull have a problem (health, injury, death) before or during the bull's first breeding season, prior to May 5, 2023, the customer should contact the consignor of the bull. A veterinarian statement on the condition of the bull will be required for all claims and the consignor reserves the right to have the bull returned to the sale site. A replacement bull of equal quality will be provided if available with delivery expense the responsibility of the customer. If a replacement bull is not available, the customer will receive a credit to be used in a future Southern Showcase Sale from the consignor equal to the price paid for the original bull minus salvage value. The consignor will not be held responsible for any settlement value exceeding the purchase price of the bull.

Breeding Guarantee on Females: Every bred female is guaranteed to be bred on sale day as stated in the sale catalog or as updated from the auctioneer at the time of the sale or on the update sheet provided at the sale. In the event any bred female is found to not be bred as sold, the customer needs to contact the consignor immediately and no later than May 5, 2023. The customer will be given a satisfactory credit to be used in a future Southern Showcase Sale or in a private treaty purchase from the consignor.

Trucking: Free trucking to GA and surrounding states. No more than $250 per lot to central US locations on all other purchases.

Lot Numbers: Ear tags on cattle correspond to the lot numbers in the catalog.

Terms and Conditions: The cattle sell under the standard terms and conditions recommended by the respective breed organizations. Payment must be made in full in the form of cash or good check on sale day, US dollars only.

Food: Complimentary lunch will be served at the sale site at 12:00 Noon.

Absentee Bids: The sale manager or any member of the sale staff will be happy to assist you with your purchases. There will be no charge to you for this service and every effort will be made to insure your total satisfaction with your purchases.

Livestock Insurance: Livestock mortality insurance will be available for your purchases at the clerk's desk and **is required on all cattle when the sale staff or consignors arrange trucking**.

EPD's: EPD's listed are the most current available at the time of catalog production.

Liability: Everyone attends the sale at his or her own risk. The sale manager, auctioneer, consignors, and Select Cattle Enterprises assume no liability whatsoever as to risk or personal injury. Cattle are the liability of the buyer when the auctioneer says "Sold". Every effort will be made by the sale crew to insure safe handling of the cattle through the sale and loadout process.

Directions To The Sale Site: *The physical address of Select Cattle Enterprises is 291 Turkey Mountain Road, Armuchee, GA 30105.* **From the intersection of GA Hwy 53 and GA Hwy 140 east of Rome, Georgia**, travel west on GA Hwy 140 for 7.1 miles to Select Cattle Enterprises on the right. **From the intersection of US Hwy 27 and GA Hwy 140 north of Rome, Georgia**, travel east on GA Hwy 140 for .6 miles to Select Cattle Enterprises on the left. Empress was selected for us by Dalton Lundy at the fall 2021 C+C Farms Sale. She is a powerful, huge middled, great uddered female that was the Reserve Champion Percentage Female at the 2018 Simmental Breeders Sweepstakes. She is simply beautiful in her design. The mating to Mic Drop should be out of this world. The mating to the extremely popular Bankroll could produce the next great one for your program! Pregnancies due 3/4/23. The 203 donor has done nothing but excel in every way for us throughout her years of production. Her first natural calf sold in our bull sale for $6750. She earned her way into the donor pen. This mating to the highly regarded Cadillac Ranch is very exciting to us – the calves should combine style and performance! Both recipients have raised et calves for us before and did a good job. **Recipient for 2A is a solid black commercial Angus cow that came to us from Trans Ova Genetics in Iowa. Recipient for 2B is a red, mott faced commercial cow.**

LiveAuctions.TV 2.0

HERE'S HOW IT WORKS

Go to **www.LiveAuctions.tv.** Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the sale to settle payment and discover your shipping plans. If you have questions or need help please call our customer support at (817) 725-8595.

How Much Is A Bull Worth

We know that more pounds pay more dollars. Cattle Fax research shows that the most profitable producers in the US pay more for their bulls than other producers do. The most profitable producers know that a **cheap, low quality bull can be your most costly mistake**. Remember a bull's genetics makes up half the entire calf crop. Buying a good bull yields excellent returns on your investment.

Let's use EPDs and do a little ***"Cowboy Math"*** to figure out how much a superior bull is worth if you sell your calves at weaning:

(Bull A's WWt EPD 60) minus (Bull B's WWt EPD 50) =

10	Pounds more WW from Bull A
X 25	Number of calves per breeding season
250	Extra pounds of calf weaned per season from Bull
X 5	Average number of years useful life per bull
1250 `	Total pounds increase during the life of the bulls
X $1.40	Price per pound at Weaning
$1,750	More value in bull A's calves vs. bull B's calves during their lifetime just due to 10 pounds of weaning *

**If you use your bulls in both fall and spring then he is worth $3,500 more. Just adapt the numbers to fit your situation and see how much more our bulls are worth to you. With these conditions, for every 10 pound advantage in Weaning WT. EPD, a bull returns to you $3500. Therefore, if Bull A is 30 pounds heavier than bull b for Weaning Wt EPD, then he will return to you an additional $10,500 over his lifetime.*
