General Information

Feed Ration: Bulls were feed a specially formulated feed ration designed to produce a gain of approximately 3 to 3.5 pounds per bull per day.

Health: All bulls and females have been vaccinated and boosted as well as dewormed.

Internet: The Pigeon Mountain Spring "Beef Builder" Bull and Female Sale catalog and videos may be viewed online at www.impactcattle.com. Online bidding will be available through Liveauctions.tv.

Health: A veterinarian will be available sale day to write interstate health papers at no cost to the buyer. An update sale sheet will also be available sale day listing information not available at catalog press time.

Soundness: Every bull is guaranteed sound on the day of the sale to the best of our knowledge. All bulls will have passed a breeding soundness exam within 30 days of the sale performed by a licensed veterinarian.

Breeding Season Guarantee: Every bull has a 100% guarantee for one breeding season, provided that the bull is maintained in proper nutritional and physical health, not to exceed 6 months from sale date. Should a bull have a problem (health, injury, death) before or during the bull's first breeding season, prior to October 15, 2023, the customer should contact the consignor of the bull. A veterinarian statement on the condition of the bull will be required for all claims and the consignor reserves the right to have the bull returned to the sale site. A replacement bull of equal quality will be provided if available with delivery expense the responsibility of the customer. If a replacement bull is not available, the customer will receive a credit to be used in a future PMS Sale from the consignor equal to the price paid for the original bull minus salvage value. The consignor will not be held responsible for any settlement value exceeding the purchase price of the bull.

Breeding Guarantee on females: Every bred female is guaranteed to be bred on sale day as stated in the sale catalog or as updated from the auctioneer at the time of the sale or on the update sheet provided at the sale. In the event any bred female is found to not be bred as sold, the customer needs to contact the consignor immediately and no later than October 15, 2023. The customer will be given a satisfactory credit to be used in a future PMS Sale or in a private treaty purchase from the consignor.

Trucking: Free trucking to GA and surrounding states. No more than \$250 per lot to central US locations on all other purchases.

Lot Numbers: Ear tags on cattle correspond to the lot numbers in the catalog.

Terms and Conditions: The cattle sell under the standard terms and conditions recommended by the respective breed organizations. Payment must be made in full in the form of cash or good check on sale day, US dollars only.

Food: Complimentary lunch will be available at the sale site beginning at 11:30 am.

Absentee Bids: The sale manager or any member of the sale staff will be happy to assist you with your purchases. There will be no charge to you for this service and every effort will be made to insure your total satisfaction with your purchases.

Livestock Insurance: Livestock mortality insurance will be available for your purchases at the clerk's desk and is required on all cattle when the sale staff or consignors arrange trucking.

EPD's: EPD's listed are the most current available at the time of catalog production.

Liability: Everyone attends the sale at his or her own risk. The sale manager, auctioneer, consignors, and Select Cattle Enterprises assume no liability whatsoever as to risk or personal injury. Cattle are the liability of the buyer when the auctioneer says "Sold". Every effort will be made by the sale crew to insure safe handling of the cattle through the sale and loadout process.

Directions To The Sale Site: The physical address of Select Cattle Enterprises is 291 Turkey Mountain Road, Armuchee, GA 30105. From the intersection of GA Hwy 53 and GA Hwy 140 east of Rome, Georgia, travel west on GA Hwy 140 for 7.1 miles to Select Cattle Enterprises on the right. From the intersection of US Hwy 27 and GA Hwy 140 north of Rome, Georgia, travel east on GA Hwy 140 for .6 miles to Select Cattle Enterprises on the left. See map on the inside back cover of this catalog. For additional information, contact R. Bruce Van Meter @ 770-547-1433.

Air Travel: Atlanta, GA is about 65 miles away and is served by all major airlines. Rental cars are available at the airport.

Comments from the Sale Manager

On behalf of Pigeon Mountain Simmentals, the guest consignors and sale staff for the Pigeon Mountain Spring "Beef Builder" Bull and Female Sale, it is my pleasure to welcome you to Armuchee, Georgia on April 15, 2023.

Pigeon Mountain Simmentals has been in the business of providing top quality bulls and females for over 45 years. Together with their guest consignors, they have brought a top offering of Simmental, Simbrah, Angus and SimAngus bulls and females to the table. These bulls have the total package of genetics and phenotype to help improve your bottom dollar on each calf crop. The females are young and have a lifetime of top production ahead of them to make you money.

½ of the genetic makeup of each calf born in your herd comes from the bull. Consequently, higher quality herd sires are one of the most important tools and decisions in our commercial programs. Get the best bull you can afford as he will influence every single calf you raise! History has proven that these reputation "Beef Builder" bulls are the money making kind and will increase the quality of your calves. These bulls will be reasonably priced and are guaranteed so take advantage of these good genetics to add money to the bottom line of your program! The females offered are from the heart of the consignor's replacements and cow herds and afford you an opportunity to add to your herd top genetics with unlimited production potential ahead of them.

The Pigeon Mountain Spring "Beef Builder" Bull and Female Sale will be held at the Select Cattle Enterprises Sale Facility near Rome, Georgia. This facility will allow buyers to view the cattle in large runs for a greater ease of viewing prior to the sale. For precise directions please see the map and written directions on the inside back cover of this catalog.

If you have any questions about this offering, please don't hesitate to contact the sale manager, consignors or any member of the sale staff. If you need assistance evaluating the offering, selecting your purchases and/or representation on sale day, feel free to contact the sale manager, any of the sale consultants, or the auctioneer Col. Carroll Cannon. As always, there will be no charge to you for this service and we will each do our best to insure your total satisfaction.

You are invited to view the cattle beginning Friday morning, April 14, 2023 at the sale site. The consignors and sale staff will be on hand and would very much like to visit with you about the offering. Then join us Saturday morning, April 15, 2023 at 8:00 a.m. for further viewing of the bulls. This will be followed by the Pigeon Mountain "Beef Builder" Bull and Female Sale at 1:00 p.m.

Don't take my word about the quality you will find at this event. Come and see for yourself! You will not be disappointed. I look forward to seeing you.

Sincerely,

R. Bruce Van Meter

Here's an opportunity to invest in one of the nicest designed, functional, and attractive donor cows you'll find. Roxanne has done a tremendous job in production as evidenced by her daughter selling as Lot 8, and has been an exceptionally fertile embryo donor. You can't miss with a female of this caliber, and I challenge you to find a more ideal udder on a Simmental female! One of the truly great buying opportunities you will find this spring. Bred AI 1-16-23 to Mr. SR Mic Drop G1534 then pasture exposed 1-27-23 to 3-27-23 to High Accuracy 0137H. Due 10-26-23 to Mr. SR Mic Drop G1534.

You can drive many miles and not find a pair with this much potential! Sheza Looker has left her mark on the breed and you'll see why when you look at this pair. Executive Order daughters have proven that they are worth their weight in gold. Good things have to happen when you combine these two breed greats. Throw in a stout made baldy bull with balance EPDs and you'll know why we're excited about the potential in this pair. Bred AI to KBHR High Road E283 12-14-22 then pasture exposed to KBHR Chairman H105 12-27-22 to 3-1-23.

Yet another Upgrade daughter that has proven her worth. She had calved just before picture day, so we left her calf in the pasture. Upper Hand has produced many good bulls for us, and this young one could do good things for you. Nice pair. Sells open.

BEEF BUILDER BULLS

HOW MUCH IS A BULL WORTH?

We know that more pounds pay more dollars. Cattle Fax research shows that the most profitable producers in the US pay more for their bulls than other producers do. The most profitable producers know that a cheap, low quality bull can be your most costly mistake. Remember a bull's genetics makes up half the entire calf crop. Buying a good bull yields excellent returns on your investment.

Let's use EPDs and do a little "Cowboy Math" to figure out how much a superior bull is worth if you sell your calves at weaning:

(Bull A's WWt EPD 60) minus (Bull B's WWt EPD 50) =

10 pounds more WW from Bull A

X25 Number of calves per breeding season

250 Extra pounds of calf weaned per season from Bull A

X 5 Average number of years useful life per bull

1250 Total pounds increase during the life of the bulls

X\$2.00 Price per pound at Weaning

\$2,500 more value in bull A's calves vs. bull B's calves during their lifetime just due to 10 pounds of weaning Weight EPD.*

*If you use your bulls in both fall and spring then he is worth \$5,000 more. Just adapt the numbers to fit your situation and see how much more our bulls are worth to you. With these conditions, for every 10 pound advantage in Weaning WT. EPD, a bull returns to you \$5000. Therefore, if Bull A is 30 pounds heavier than bull b for Weaning Wt EPD, then he will return to you an additional \$15,000 over his lifetime.

766K is not registered, but he's too good of a bull to leave out of this sale. His **projected EPDs** predict him to be a good all-around kind of bull. He also has just enough ear to help him cope with the southern heat.

Ruger is a neat made, heavy muscled, trim son-of-a-gun. He's a little on the quick side, but he will get some good commercial cattle that order buyers will seek.

What a pedigree! Just like the Winchester rifle, Cowboy Cut is a legend and Main Event is earning his place as one. When you get a bull with this much muscle and substance to him and add this set of EPDs, you may be looking at the next breed legend!

Where do you start with this bull? You could say he's going to be an easy calver. You could also say that he's a red baldy, one of the hottest things going in the Simmental breed. You may also say that he has as much top and muscle you'll find in a young bull, backed up by his top 15% 1.11 REA. The easiest thing to say is you need to see this bull for yourself, then you can say you need to bid on sale day.
