# WELCOME

On behalf of Pigeon Mountain Simmentals, the guest consignors and sale staff for the Pigeon Mountain Simmentals "Beef Builder" Bull and Female Sale, it is my pleasure to welcome you to Armuchee, Georgia on March 21, 2026.

Pigeon Mountain Simmentals has been in the business of providing top quality bulls and females for over 50 years. This is the 19th "Beef Builder" production sale! Together with their guest consignors, they have brought a top offering of Simmental and SimAngus bulls and females to the table. These bulls have the total package of genetics and phenotype to help improve your bottom dollar on each calf crop. The females are young and have a lifetime of top production ahead of them to make you money.

½ of the genetic makeup of each calf born in your herd comes from the bull. Consequently, higher quality herd sires are one of the most important tools and decisions in our commercial programs. Get the best bull you can afford as he will influence every single calf you raise! History has proven that these reputation "Beef Builder" bulls are the money making kind and will increase the quality of your calves. These bulls will be reasonably priced and are guaranteed so take advantage of these good genetics to add money to the bottom line of your program! The females offered are from the heart of the consignor's replacements and cow herds and afford you an opportunity to add to your herd top genetics with unlimited production potential ahead of them.

The Pigeon Mountain Spring "Beef Builder" Bull and Female Sale will be held at the Select Cattle Enterprises Sale Facility near Rome, Georgia. This facility will allow buyers to view the cattle in large runs for a greater ease of viewing prior to the sale. For precise directions please see the map and written directions on the inside back cover of this catalog.

If you have any questions about this offering, please don't hesitate to contact the sale manager, consignors or any member of the sale staff. If you need assistance evaluating the offering, selecting your purchases and/or representation on sale day, feel free to contact the sale manager or the auctioneer Col. Carroll Cannon. As always, there will be no charge to you for this service and we will each do our best to insure your total satisfaction.

You are invited to view the cattle beginning Friday morning, March 20, 2026 at the sale site. The consignors and sale staff will be on hand and would very much like to visit with you about the offering. Then join us Saturday morning, March 21, 2026 at 8:00 a.m. for further viewing of the bulls. This will be followed by the Pigeon Mountain "Beef Builder" Bull and Female Sale at 1:00 p.m.

Don't take my word about the quality you will find at this event. Come and see for yourself! You will not be disappointed. I look forward to seeing you.

Sincerely,  
R. Bruce Van Meter  
Impact Marketing and Management, Inc.

## HOW MUCH IS A BULL WORTH

We know that more pounds pay more dollars. Cattle Fax research shows that the most profitable producers in the US pay more for their bulls than other producers do. The most profitable producers know that a cheap, low quality bull can be your most costly mistake. Remember a bull's genetics makes up half the entire calf crop. Buying a good bull yields excellent returns on your investment.

Let's use EPDs and do a little "Cowboy Math" to figure out how much a superior bull is worth if you sell your calves at weaning:

**(Bull A's WWt EPD 60) minus (Bull B's WWt EPD 50) =**

10	pounds more WW from Bull A
X25	Number of calves per breeding season
250	Extra pounds of calf weaned per season from Bull A
X5	Average number of years useful life per bull
1250	Total pounds increase during the life of the bulls
X \$3.50	Price per pound at Weaning
\$4,375	more value in bull A's calves vs. bull B's calves during their lifetime just due to 10 pounds of weaning Weight EPD.*

\*If you use your bulls in both fall and spring then he is worth \$8,750 more. Just adapt the numbers to fit your situation and see how much more our bulls are worth to you. With these conditions, for every 10 pound advantage in Weaning WT. EPD, a bull returns to you \$8750. Therefore, if Bull A is 30 pounds heavier than bull b for Weaning Wt EPD, then he will return to you an additional \$26,250 over his lifetime.
